ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Erie Metropolitan Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Erie Metropolitan Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Erie Metropolitan Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Erie Metropolitan Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Erie Metropolitan Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Erie Metropolitan Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Erie Metropolitan Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Erie Metropolitan Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Erie

Metropolitan Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Erie Metropolitan Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Erie Metropolitan Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Erie Metropolitan Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Erie Metropolitan Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Erie Metropolitan Housing Authority's business is housing. If the request would alter the fundamental business that the Erie Metropolitan Housing Authority conducts, that would not be reasonable. For instance, the Erie Metropolitan Housing Authority would deny a request to have the Erie Metropolitan Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Erie Metropolitan Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is they need; however, the Erie Metropolitan Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Erie Metropolitan Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Erie Metropolitan Housing Authority's programs and services, the Erie Metropolitan Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Erie Metropolitan Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Erie Metropolitan Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests permission to make reasonable physical modifications at their own expense, the Erie Metropolitan Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The Erie Metropolitan Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English in order to assist non-English speaking families.

4.0 FAMILY OUTREACH

The Erie Metropolitan Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Erie Metropolitan Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Erie Metropolitan Housing Authority will also try to utilize public service announcements.

The Erie Metropolitan Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Erie Metropolitan Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy

- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Erie Metropolitan Housing Authority Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at 322 Warren Street, Sandusky, Ohio. Applications can be mailed to elderly, disabled upon request.

Applications are taken to compile a waiting list. Due to the demand for housing in the Erie Metropolitan Housing Authority's jurisdiction, the Erie Metropolitan Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Erie Metropolitan Housing Authority will verify the information.

The completed application will be dated and time stamped upon its return to the Erie Metropolitan Housing Authority.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Erie Metropolitan Housing Authority will make a preliminary determination of eligibility. The Erie Metropolitan Housing Authority will notify the family in writing of the date and time of placement on the waiting list. If the Erie Metropolitan Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Erie Metropolitan Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Erie Metropolitan Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Erie Metropolitan Housing Authority screening criteria in order to be admitted to public housing.

6. A **remaining member of a tenant family**.

7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income eligibility

1. To be eligible for admission to developments or scattered-site units that were available for occupancy before 10/1/81, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.
2. To be eligible for admission to developments or scattered-site units that became available on or after 10/1/81, the family's annual income must be within the very low-income limit set by HUD, unless HUD grants an exception. This means that without a HUD exception, the family income cannot exceed 50 percent of the median income for the area.
3. Income limits apply only at admission and are not applicable for continued occupancy.
4. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Erie Metropolitan Housing Authority.
5. If the Erie Metropolitan Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.
6. Income limit restrictions do not apply to families transferring within our Public Housing Program.

C. Citizenship/Eligibility Status

1. To be eligible each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.

- b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the non-citizen rule)
- c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one.

E. Signing Consent Forms

- 1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
- 2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Erie Metropolitan Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy; and
 - b. A provision authorizing HUD or the Erie Metropolitan Housing Authority to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
 - d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Occupancy by Police Officers

For the purpose of increasing security for residents of a public housing development, Erie Metropolitan Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing, to reside in a public housing dwelling unit. One unit may be designated for this purpose in the Bayshore Tower development; the resident police officer must comply with the same terms and conditions of the lease with the exception of the one full year occupancy requirement. The lease for the resident police officer shall run month to month.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Erie Metropolitan Housing Authority will look at past conduct as an indicator of future conduct. If no charges of bad conduct or criminal activity have been made within 3 years, the applicant will be considered for the waiting list. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Erie Metropolitan Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Erie Metropolitan Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent; care will be taken to establish whether or not the applicants financial obligations, especially rent were due to his/her being low income.
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well-being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of

information related to their housing application or benefits derived there from; and

6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Erie Metropolitan Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Erie Metropolitan Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse and co-head;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Erie Metropolitan Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances. The inspection may also consider any evidence of criminal activity; and
 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

8.4 GROUND FOR DENIAL

The Erie Metropolitan Housing Authority is not required or obligated to assist applicants who:

8.5 *INFORMAL REVIEW*

- A. If the Erie Metropolitan Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Erie Metropolitan Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Erie Metropolitan Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Erie Metropolitan Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Erie Metropolitan Housing Authority's decision. The Erie Metropolitan Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The participant family may request that the Erie Metropolitan Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. The participant family must make this request within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 *MANAGING THE WAITING LIST*

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general

circulation and also by any available minority media. The public notice will state any limitations to who may apply. The notice will also state the closing date and for what bedroom sizes.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the Erie Metropolitan Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family is at the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Erie Metropolitan Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Erie Metropolitan Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Erie Metropolitan Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Erie Metropolitan Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Erie Metropolitan Housing Authority will be sent a notice of termination of the process for eligibility.

The Erie Metropolitan Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Erie Metropolitan Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Erie Metropolitan Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Erie Metropolitan Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Erie Metropolitan Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Erie Metropolitan Housing Authority will select families based on the following preferences within each bedroom size category:

- A. Victim of Domestic Violence
- B. Displaced by governmental action
- C. Working family
- D. Veteran

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C.

The date and time of application will be noted and utilized to determine the sequence within the above-prescribed preferences.

Building Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4

3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families.

In determining bedroom size, the Erie Metropolitan Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will not share a bedroom except children of the opposite sex; both under the age of 5 may share a bedroom.
- B. Adults and children will not be required to share a bedroom.
- C. Foster – adults and/or foster - children will not be required to share a bedroom with family members.
- D. Live-in aides will get a separate bedroom.
- E. Children of the same sex will share a bedroom unless there is a seven or greater year difference in age.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Erie Metropolitan Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 1 year or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Erie Metropolitan Housing Authority will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family’s own expense) to the appropriate size unit when an eligible family needing the

larger unit applies. The family transferring will be given a 30-day notice before being required to move.

- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

10.3 SELECTION FROM THE WAITING LIST

The Erie Metropolitan Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is Erie Metropolitan Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Erie Metropolitan Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The Erie Metropolitan Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development. Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

When the Erie Metropolitan Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Erie Metropolitan Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Erie Metropolitan Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Erie Metropolitan Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the Erie Metropolitan Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Erie Metropolitan Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Erie Metropolitan Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be given to the resident.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to 150 for Scattered Sites and \$50.00 for Bayshore Tower.

In exceptional situations, the Erie Metropolitan Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with the second rent payment, and one-third with the third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the Erie Metropolitan Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Erie Metropolitan Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, food stamps:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income

includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 - 2. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount will not be counted as income.
- G. Periodic and determinable allowances, such as alimony, child support payments, residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME EXCLUSIONS

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;

- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. Financial Assistance received for mandatory education fees and charges (in addition to tuition, such as student service fees, student association fees, student activities fees, and laboratory fees)(PIH Notice 2016-05; 24 CFR 5.609(b)(9); PIH Notice 2015-21);
- I. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiative's coordination. No resident may receive more than one such stipend during the same period of time;

5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
 - i. Is authorized by a Federal, State or local law;
 - ii. Is funded by the Federal, State or local government;
 - iii. Is operated or administered by a public agency; and
 - iv. Has as its objective to assist participants in acquiring employment skills.
 - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.

- c. Earnings and benefits mean the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
- 11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any family self-sufficiency program.

- 15. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:
 - a. The value of the allotment of food stamps
 - b. Payments to volunteers under the Domestic Volunteer Services Act of 1973
 - c. Payments received under the Alaska Native Claims Settlement Act
 - d. Income from sub-marginal land of the U.S. that is held in trust for certain Indian tribes

The Erie Metropolitan Housing Authority will not provide exclusions from income in addition to those already provided for by HUD.

- J. Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income. (PIH Notice 2016-05; 24 CFR 5.617, 960.255)

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Baseline income. The annual income immediately prior to implementation of the disallowance of a person with disabilities (who is a member of a qualified family).

A Qualified Family is a voucher program family:

- (1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;
- (2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or
- (3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance—provided that the total amount over a six-month period is at least \$500.

Inapplicability to admission. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

(c) Disallowance of increase in annual income—

- (1) Initial 12-month exclusion. During the 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.
- (2) Second 12-month exclusion and phase-in. Upon the expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the responsible entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member's baseline income.
- (3) Maximum 2-year disallowance. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime

24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24- month period starting from the initial exclusion under paragraph (c)(1) of this section.

(4) Effect of changes on currently participating families. Families eligible for and participating in the disallowance of earned income under this section prior to May 9, 2016 will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

- Once a family member is determined to be eligible for the EID, the 24-calendar month period starts;
- If the family member discontinues the employment that initially qualified the family for the EID, the 24-calendar month period continues;
- EID benefit is limited to a lifetime 24-month period for the qualifying family member;
- At the end of the 24 months, the EID ends regardless of how many months were used.

11.3 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;
- C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.
- D. For any elderly or disabled family:
 1. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;
 2. That has disability expenses greater than or equal to 3% of annual income, an allowance for disability assistance expenses computed in accordance with paragraph C, plus an allowance for medical expenses that equal the family's medical expenses;

3. That has disability assistance expenses that are less than 3% of annual income, an allowance for combined disability assistance expenses and medical expenses that is equal to the total of these expenses less 3% of annual income.

E. Child care expenses.

12.0 VERIFICATION

The Erie Metropolitan Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Erie Metropolitan Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Erie Metropolitan Housing Authority will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Erie Metropolitan Housing Authority has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Erie Metropolitan Housing Authority will accept a notarized statement signed by the head spouse or co-head. Such documents will be maintained in the file.

12.1.1 Family Declaration of Assets under \$5,000

EMHA reserves the option to implement the ability to accept a family declaration of that it has total net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration. **If implemented**, EMHA must initially verify the asset value through third-party verification, and also must obtain third-party verification at least every three years thereafter. All family members 18 years of age and older must sign the family’s declaration of total assets. Whenever a family member is added, EMHA must obtain third-party verification of that family member’s assets. (PIH Notice 2016-05; 24 CFR 960.259, 982.516)

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Erie Metropolitan Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Erie Metropolitan Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Erie Metropolitan Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the head of the household must sign the list.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Erie Metropolitan Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six. An applicant family may become a program participant for up to ninety (90) days, even if the family lacks the documentation

necessary to verify the Social Security Number (SSN) of a family member under the age of 6 years. An extension of one (1) additional ninety (90) day period must be granted if the PHA determines that the applicant's failure to comply was due to circumstances that could not reasonably have been foreseen and were outside of the control of the applicant. If an extension is not merited, EMHA must follow the provision of 24 CFR 5.218. If a 90-day extension is merited, EMHA must either verify the SSN for the child by the end of the 90-day extension period or follow the provisions of 24 CFR 5.218. (PIH Notice 2016-05; 24 CFR 5.216)

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Erie Metropolitan Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Erie Metropolitan Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be

obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent may request to have a reexamination and return to the formula based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

13.2 THE FORMULA METHOD

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

The family will pay the greater of the total tenant payment or the minimum rent of \$25,

but never more than the ceiling rent.

In the case of a family who has qualified for the income exclusion at Section 11.2(I)(11), upon the expiration of the 12-month period described in that section, an additional rent benefit accrues to the family. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received.

13.3 MINIMUM RENT

The Erie Metropolitan Housing Authority has set the minimum rent at **\$25**. However if the family requests a hardship exemption, the Erie Metropolitan Housing Authority will immediately suspend the minimum rent for the family until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program;
 - 2. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment;
 - 4. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 - 5. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with the Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will

not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Erie Metropolitan Housing Authority has set a flat rent for each public housing development. In doing so, it considered the number of bedrooms size. The Erie Metropolitan Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3). The Erie Metropolitan Housing Authority will post the flat rents at the public housing office.

13.5 CEILING RENT

The Erie Metropolitan Housing Authority has set a ceiling rent for each public housing unit. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Erie Metropolitan Housing Authority will post the ceiling rents at the public housing office and at the central office.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the

head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Erie Metropolitan Housing Authority will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Erie Metropolitan Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- Step 1. Determine the total tenant payment in accordance with 24 CFR §5.628. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)
- Step 2. Family maximum rent is equal to the applicable flat rent for the unit size to be occupied by the family.
- Step 3. Subtract the total tenant payment from the family maximum rent. The result is the maximum subsidy for which the family could qualify if all members were eligible (“family maximum subsidy”).
- Step 4. Divide the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status (“eligible family member”). The subsidy per eligible family member is the “member maximum subsidy.”
- Step 5. Multiply the member maximum subsidy by the number of family members who have citizenship or eligible immigration status (“eligible family members”). The product of this calculation is the “eligible subsidy.”
- Step 6. The mixed family TTP is the maximum rent minus the amount of the eligible subsidy.
- Step 7. Subtract any applicable utility allowance from the mixed family TTP. The result of this calculation is the mixed family tenant rent.

When the mixed family's TTP is greater than the maximum rent, the PHA must use the TTP as the mixed family TTP. . Note: A warning message will appear when the family's TTP is

entered into field 10p of PIC. This warning message is a workaround for purposes of implementing this provision.

This method of prorating assistance applies to new admissions and annual reexaminations after the effective date of the regulation. (24 CFR 5.520(d))

13.7 UTILITY ALLOWANCE

The Erie Metropolitan Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Erie Metropolitan Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc.). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's formula or flat rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Erie Metropolitan Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For Erie Metropolitan Housing Authority paid utilities, the Erie Metropolitan Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Erie Metropolitan Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Erie Metropolitan Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Erie Metropolitan Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Erie Metropolitan

Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

EMHA reserves the option to implement retroactive quarterly disbursement of reimbursement payments due to a family if the amount is equal to or less than \$45 per quarter; a hardship exemption may be allowed in accordance with 24 CFR 5.630(b)(2) to allow monthly disbursement. If implemented, EMHA shall make retroactive quarterly payments in accordance with PIH Notice 2016-05; 24CFR 960.253, 982.514. Families leaving the program with retroactive credit for utility reimbursement will have the credit issued at the time of the end of program participation/expiration or termination of the lease. (PIH Notice 2016-05; 24CFR 960.253, 982.514)

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at the approved banks. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment at the offices.

If the rent is not paid by the fifth of the month, a Notice to Vacate will be issued to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent. In the future no personal checks will be accepted.

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older

- B. Family members who are blind or disabled
- C. Family members who are the primary care giver for someone who is blind or disabled
- D. Family members engaged in work activity
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

The Erie Metropolitan Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Erie Metropolitan Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Erie Metropolitan Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or

household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Erie Metropolitan Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Erie Metropolitan Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Erie Metropolitan Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Erie Metropolitan Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Erie Metropolitan Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and

- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Erie Metropolitan Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Erie Metropolitan Housing Authority shall take action to terminate the lease.

14.8 TENANT SELF-CERTIFICATION FOR COMMUNITY SERVICE & SELF-SUFFICIENCY

EMHA reserves the option to implement Self-Certification flexibility when verifying Community Service and Self-Sufficiency Requirement (CSSR) Compliance in accordance with PIH Notice 2016-06 & 24 CFR 960.605, 960.607.

15.0 RECERTIFICATIONS

At least annually, the Erie Metropolitan Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Erie Metropolitan Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the

family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Erie Metropolitan Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Erie Metropolitan Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent
- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the formula-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for

child care, medical care, etc.

3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.
- F. The dates upon which the Erie Metropolitan Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
 - G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
 - H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Erie Metropolitan Housing Authority will send a reexamination letter to the family offering the choice between a flat and a formula rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Erie Metropolitan Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Erie Metropolitan Housing Authority representative; they may make the selection on the form and return the form to the Erie Metropolitan Housing Authority. In such case, the Erie Metropolitan Housing Authority will cancel the appointment.

15.4 THE FORMULA METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Erie Metropolitan Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or
- C. The welfare rent.

The family will pay the greater of the total tenant payment or the minimum rent of \$25, but never more than the ceiling rent.

15.5 STREAMLINED ANNUAL REEXAMINATIONS FOR FIXED SOURCES OF INCOME

EMHA reserves the option to implement a streamlined income determination for any family member with a fixed source of income. (Non-fixed sources of income remain subject to third-party verification.) **If implemented**, fixed-income includes income from: Social Security Payments (SSI & SSDI); Federal, state, local & private pension plans; and other periodic payments received from annuities, insurance policies, retirement funds, disability or death benefits, and other similar types of periodic payments. The streamlined determination will be made by applying a verified cost of living adjustment (COLA) or current rate of interest to the previously verified or adjusted income amount. The COLA or current interest rate applicable to each source of fixed income must be obtained either from a public source or from tenant-provided, third-party generated documentation. EMHA must document how the determination was made that a source of income is fixed. Third-party verification of all income amounts for all family members must be performed at least every three (3) years. All family members' signatures on consent forms required by 24 CFR 5.230 must still be obtained by EMHA. (This implementation option is made available as detailed in PIH Notice 2016-05 and 24 CFR 960.257, 982.516)

15.6 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty- (30) days' notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.7 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations, if they qualify for exclusion in Section 11.2 (H) (11).

Families are required to report the following changes to the Erie Metropolitan Housing

Authority between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Erie Metropolitan Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Erie Metropolitan Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.8 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Erie Metropolitan Housing Authority may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

15.9 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent

increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Erie Metropolitan Housing Authority's deconcentration goal.
- F. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Erie Metropolitan Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Erie Metropolitan Housing Authority when a transfer is the only or best way of solving a serious problem. These transfers are also made to accommodate working families who need to be close to their place of employment.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed the Erie Metropolitan Housing Authority and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

- G. Participates in a series of classes conducted by the Erie Metropolitan Housing Authority on basic home and yard care.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in Category 1 and 2 will be housed ahead of any other families, including those on the applicant waiting list. Transfers in Category 1 will be housed ahead of transfers in Category 2.

Transfers in Category 3 will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all leasing documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered they would not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Erie Metropolitan Housing Authority and the family rejects two offers without good cause, the Erie Metropolitan Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Erie Metropolitan Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. 16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Erie Metropolitan Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, not have paid late rent for at least one year , and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Erie Metropolitan Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Erie Metropolitan Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business

days of receipt of the request to schedule a meeting.

The Erie Metropolitan Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

16.9 RIGHT OF THE ERIE METROPOLITAN HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Erie Metropolitan Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Erie Metropolitan Housing Authority file and a copy given to the family member. An authorized Erie Metropolitan Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Erie Metropolitan Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Erie Metropolitan Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Erie Metropolitan Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Erie Metropolitan Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Erie Metropolitan Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Erie Metropolitan Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Erie Metropolitan Housing Authority will give the tenant at least twenty-four (24) hours written notice.

The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Erie Metropolitan Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Erie Metropolitan Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Erie Metropolitan Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Erie Metropolitan Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

The rules regarding pets only apply to residents and resident pet owners. These rules are not to be construed as changing in any way the policy of visiting animals or animals that assist handicapped residents. Persons visiting residents shall, if they bring a pet, be the responsibility of the resident.

18.2 DEFINITION OF “PET”

A pet is defined as a smaller domesticated animal, such as a dog, cat, bird, rodent, fish or other animal that is traditionally kept in the home for pleasure rather than commercial purposes. Reptiles, except turtles, are excluded from this definition.

Residents shall keep their pet inside their apartment at all times except as necessary to take the pet out. When outside of their apartment, residents shall keep their pet on a leash or in an appropriate container and the pet shall be accompanied by and under the direct control of the resident at all times.

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

18.6 PET SECURITY DEPOSIT

The resident must provide a pet security deposit of \$200 at the time of registering a pet. This amount may be periodically revised by Management, if necessary, but will never exceed \$300. In addition should damage be done to the residence or to any public area of the Housing Authority, other than those designated by Management for pet use, shall be the responsibility of the resident. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear.

Management will designate space to be used exclusively for the purpose of walking pets. A curf rule shall be in effect at all times. Pet owners shall be responsible for immediate clean-up after exercising their pet. A scoop for that purpose is to be owned by each resident pet owner. Management will place a receptacle in the exercise areas where pet waste is to be placed after bagged and tied in a plastic bag.

Should an accident occur in any area other than an exercise area, the resident shall be responsible for immediately cleaning up after the pet and shall notify Management immediately after the accident had been cleaned.

18.9 EMERGENCY CARE OF ANIMALS

Pets must supply to Management an affidavit of agreement, with the names of two people who will be willing to assume immediate responsibility for the pet in case of emergency. In cases of emergencies where Management is unable to reach one of the back-up persons, pet owner agrees to allow Management to have the pet removed by the City of Sandusky animal control officer or other public or quasi-public authority to a Veterinarian of Management's choice. All fees and costs shall be borne by the pet owner.

In such cases of an emergency, the owner/resident, his or her agent, estate, or family, within five days, make arrangements with holder of said pet as to its disposition and shall be responsible for all obligations, financial or other, for actions taken on behalf of the pet owner or for the well-being of the pet.

18.10 PET VIOLATION NOTICE

If a pet becomes annoying or in any other way a nuisance to other residents or to the apartment operations, or if a pet becomes a safety, welfare or health hazard to other residents or the owner, Management will send a pet violation notice to the owner. The notice will have a statement requiring the pet owner to correct the violation (including removal of the pet, if appropriate), or to request a meeting within ten days and a statement indicating that failure to act within ten days or to appear at a scheduled meeting may result in pet removal or termination of the tenancy procedures. The resident will have the right to have a third party of his/her choice at the pet violation meeting.

If the pet owner and housing manager are unable to resolve the pet violation or if Management determines that the pet owner has failed to correct the pet rule violation within the time specified, Management may serve written notice on the pet owner. The notice will contain a summary of the facts, a statement that the pet must be removed within ten days of the notice and a statement indicating that failure to remove the pet may result in institution of proceedings to terminate the pet owner's tenancy.

18.11 COOPERATION OF RESIDENT PET OWNER AND MANAGEMENT

For this program to work effectively, there must be full cooperation and understanding of all rules and regulations by both pet owner and Management. To this end, copies of these rules shall be given to each resident and a lease addendum will be executed by the resident indicating that they agree to comply with the rules.

The Erie Metropolitan Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties.
